

I spent a delightful evening on Monday watching our Y5 children performing at the Music Festival in Huddersfield Town Hall. The singing was beautiful and the children were clearly really enjoying the experience.

The children from Y2 and Reception enjoyed their trip on Tuesday. They had perfect weather and Mrs Dyson, Mrs Moran and the other adults were really proud of them. They asked lots of questions on the guided tour and made the most of all the playgrounds!

Year 3

This half term in Science the children have been learning about Animals including humans- keeping healthy, we have learnt about different bones in our bodies and what makes us different to animals.

We have been personal trainers and focused on how we can keep our clients healthy.

In history we have been learning about Ancient Greece and have produced some lovely work, the children have also been making clay tiles in Art linked with the Ancient Greece topic.
